# ABOUT US

CIÓN specializes in transforming spaces into elegant and functional environments. We handle the complete interior design and execution for homes — including bedrooms, kitchens, bathrooms, living and dining spaces, combining modern aesthetics with comfort and practicality.

We also design and execute luxurious yacht interiors, covering everything from seating and flooring to overall layout and detailing. Every project is driven by craftsmanship, creativity, and a promise of delivering perfection with trust and care.

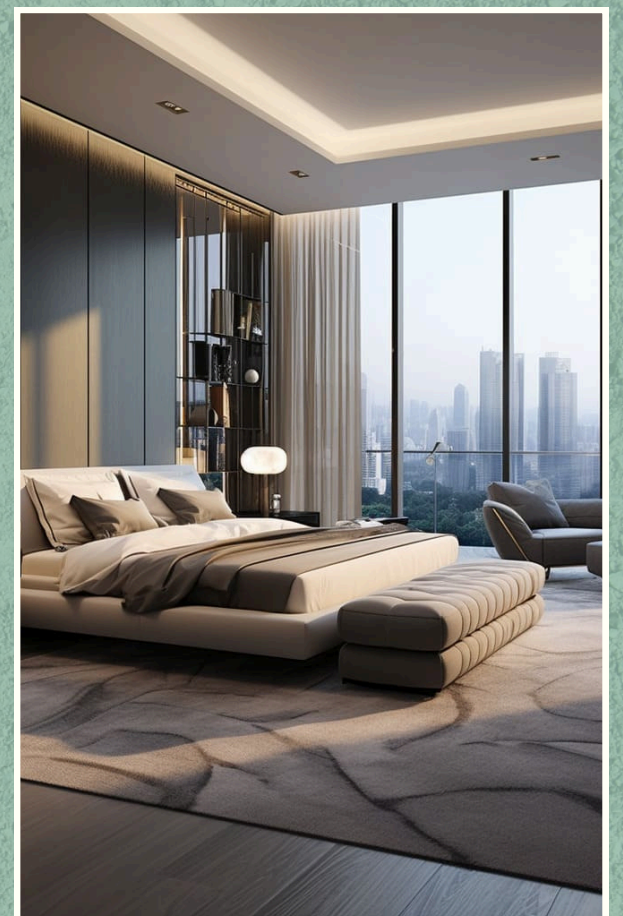

# HOME & BEYOND

Our bedroom interiors are designed to create a perfect balance between comfort and style. Every element, from furniture to lighting, is thoughtfully chosen to make the space relaxing, functional, and aesthetically pleasing.

## BEDROOM

The living area is the heart of every home, and we design it to reflect both style and comfort. Thoughtful layouts, soothing tones, and refined finishes come together to create a space that feels inviting, functional, and beautifully connected to your lifestyle.

## LIVING SPACE

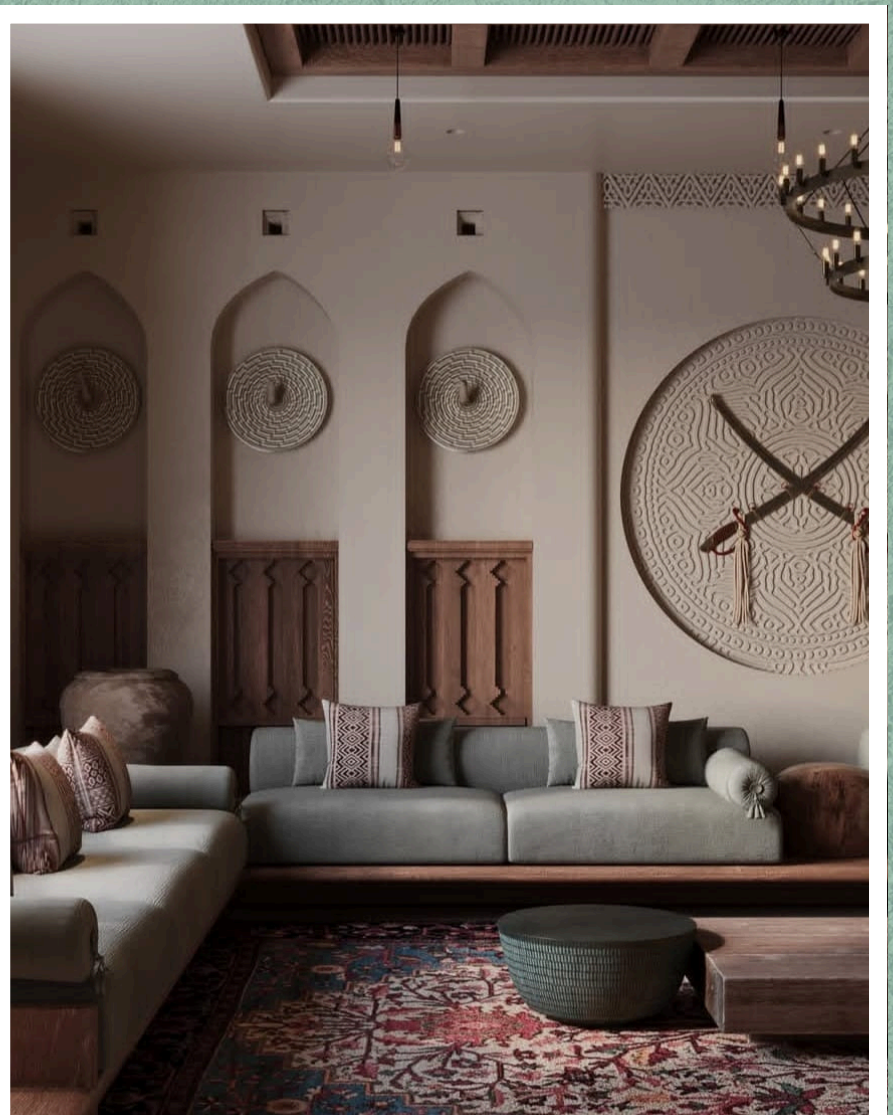

# OUTDOOR LIVING SPACE

Designed to blur the lines between indoors and out, our outdoor living areas create the perfect setting for relaxation and connection. From cozy seating nooks to stylish patio lounges, every detail is crafted to bring comfort, charm, and timeless elegance to open-air living.

Rooted in tradition yet styled for today, our Majlis designs celebrate culture and connection. Elegant detailing, rich textures, and harmonious tones come together to craft spaces that are welcoming, sophisticated, and truly personal.

## CLOSETS & VANITIES

---

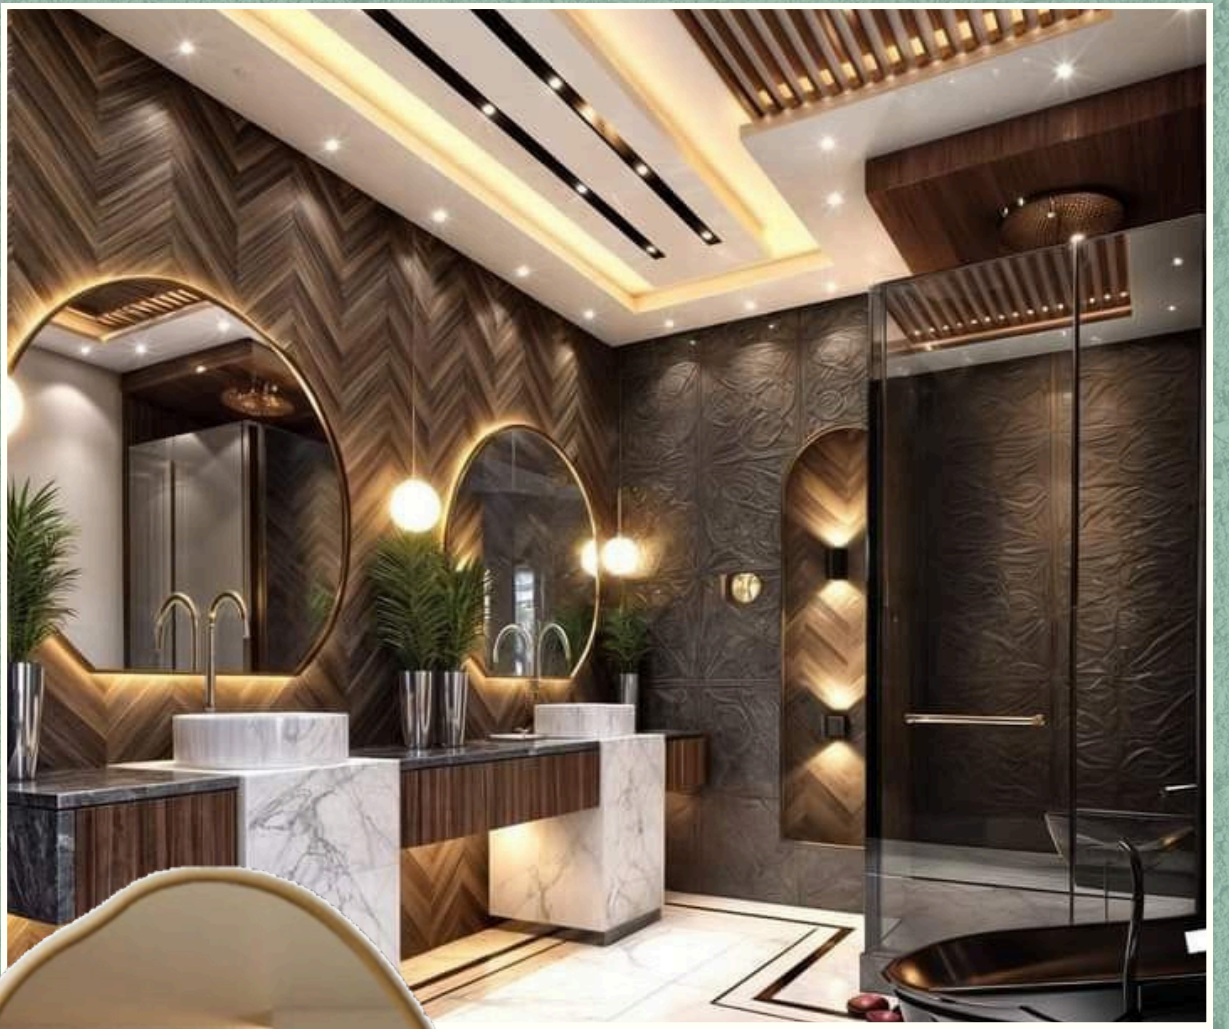

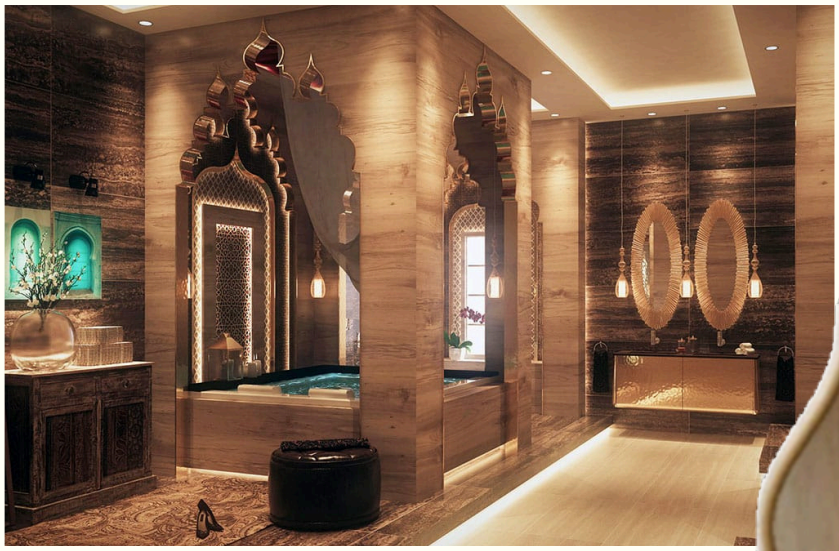

Designed to blend functionality with refined aesthetics, our wardrobes and vanity spaces bring organization and elegance to everyday living. From sleek built-ins to luxurious dressing areas, each piece is tailored to complement your home's character while maximizing comfort and utility.

# MODERN BATHROOM DESIGN

A perfect blend of comfort and style, our bathroom interiors bring elegance and ease into daily living.

# LIGHTINGS

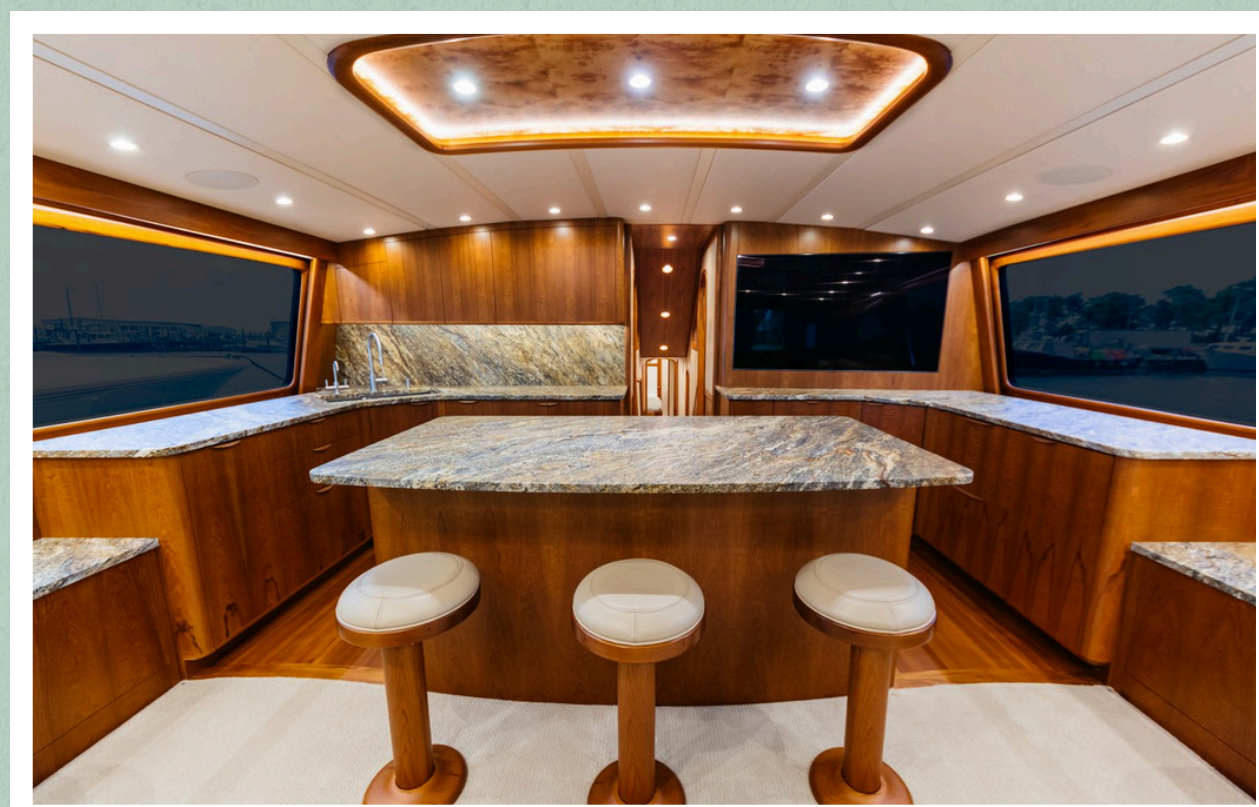

We curate modern lighting concepts that elevate interior spaces with depth and character. From statement chandeliers to subtle ambient fixtures, every element is chosen to enhance the design narrative and atmosphere of the space.

# YACHT INTERIORS

Our designs bring harmony between aesthetics and practicality, turning yacht interiors into luxurious spaces for relaxation and inspiration.

The yacht's interiors — from its serene bedrooms to its sleek bar counters, reflect harmony, elegance, and the essence of refined living at sea.
